

STEPS Aflac Voluntary Benefits

The Future - you can't predict it. But you can protect it!

Aflac is different from other insurance. It's insurance for daily living. Aflac pays YOU CASH for things like wellness visits, sickness or injuries.

The following plans are available during this enrollment - no health questions asked:

Group Accident Insurance helps pay costs that arise from covered accidents such as fractures, dislocations and lacerations. This plan provides 24-hour coverage, which means you're covered at home and at work. **Rate is only \$8.22 per month**

Group Critical Illness Insurance helps pay the expected and unexpected expenses that arise from a diagnosis of a covered critical illness such as cancer (internal or invasive), heart attack, stroke, end-stage renal failure or a major organ transplant. This plan includes a \$50 Health Screening Benefit for the covered employee and spouse only. **Rates vary starting at \$2.32 per month**

Group Hospital Indemnity Insurance helps pay costs for a covered hospital stay, including benefits for hospital confinement, admission and hospital intensive care. The plan also includes a \$50 Health Screening Benefit for each covered insured. No pre-existing exclusions. **Rate is only \$18.08 per month**

Additional Free Services come with the purchase of an Aflac policy:

- **Simplicollege:** helping plan and pay for college can be a difficult, stressful and confusing process for a family. Helps you navigate the process from admissions, high school planning to financial aid and applications
- **Telephonic EAP 24/7:** confidential phone access to licensed, professional counselors, prepared to help with your personal situation
- **Medical Bill Saver:** access to skilled negotiators who will work to reduce medical and dental bills over \$400
