

WHAT IS A SCHOOL-PARENT COMPACT?

A School-Family Compact outlines how families, the entire school staff, and students will share the responsibility for improving student academic achievement. The Compact is jointly developed, with parents offering ideas of how Bordeaux staff can best support them. Families are encouraged to attend Fall and Spring conferences. Parents are also encouraged to attend the annual Family Advisory meeting, where they can make suggestions based on student needs and the school improvement goals. An annual Title I Family Survey will also be provided to parents in order to collect feedback regarding our program.
