

Logging On

1. After connecting to your home WiFi, you will see a screen where you can log in to the chromebook. Students should enter in their student ID and click on the blue Next button. The prompt says to enter in your email; The studentID is what should be entered in here. If you don't know your studentID, send an email to chromebooks@sheltonschools.org.

2. After entering your Student ID, you will see a screen to enter your password.

3. Enter your password and click the blue Next button. You will then be logged into your chromebook.
